

Printed Disposable Face Masks

For a good result please supply artwork to the following specifications:

- Illustrator or HiRes .pdf File.
- 1 Solid PMS colour
- All Fonts & Logos to be Outlined
- Branding Area: 110mmW x 20mmH

Note: We recommend to supply font size at min 3mm high to ensure legibility.

The diagram shows a large red rectangular outline representing the overall dimensions of a printed disposable face mask. Centered within this large rectangle is a smaller, horizontally-oriented magenta rectangular outline. This inner rectangle represents the designated area for branding. Text is placed inside this magenta rectangle to specify its dimensions.

Branding Area
110mm W x 20mm H
