

Stainless Steel Tumbler

For a good result please supply artwork to the following specifications:

- Illustrator or HiRes .pdf File.
- 1 Solid colour (as this will be engraved in a natural etch)
- All Fonts & Logos to be Outlined
- Branding Area: 52mm W (top) x 50mm H x 60mm W (bottom)

Note: We recommend to supply font size at min 3mm high to ensure legibility.

Stainless steel has a natural Etch

Please be aware that artwork will adhere to the shape of the product. This means, linear shapes that utilise the full print area might appear skewed from the side perspective due to the tapered nature of the product.
